

Camping Club Youth Application Form

**Camping Club Youth –
your chance to take part in great activities and
have a great time!**

What is Camping Club Youth?

Do you want to learn how to select a site, pitch your tent and cook your own food? Camping Club Youth can show you how to do all that and have fun at the same time.

There is more to camping than you might think. The great adventure, living in the open air, looking out for yourself and learning to be independent. Camping Club Youth is open to all young people between 12 to 17 years of age inclusive. It doesn't matter if you haven't been camping before as experienced Youth Leaders will give you all the help and advice you need.

The Club has Youth Groups all over the country, attached to local District Associations or to one of our Special Interest Sections. When you join you will receive a list of Region and Section Youth Liaison Officers so that you can find out about the wide variety of activities, for example pony trekking, orienteering, mountaineering and adventure weekends. A particular highlight is the International Youth Rally held in a different European country each year.

If your parents are not members of The Camping and Caravanning Club and you wish to join Camping Club Youth, all you need is to be sponsored by someone who is a current member of The Camping and Caravanning Club.
